Description

The available space is small and bright, benefitting from large windows providing excellent natural light. It comprises three separate office rooms with kitchen, WC and central heating.

Covent Garden

The modern story of Covent Garden began in the 1630s when an area formerly belonging to Westminster Abbey known as 'the Convent Garden' was redeveloped for the 4th Earl of Bedford, with a world famous piazza by Inigo Jones.

Covent Garden is one of London's leading tourist and shopping destinations and in 2010 the world's largest Apple Store was opened in the Piazza.
