Clerkenwell

Taking its name from Clerk's Well in Farringdon Lane, Clerkenwell encompasses the area between King's Cross and Shoreditch. Historically a centre for engineering, the area is flooded with characteristic warehouses providing desirable offices to the media and technology sectors, turning the area into a Tech City hub.

With Crossrail due to open at Farringdon station in 2018, Clerkenwell is set to benefit from increased connectivity and demand for office space.
