Noho

Noho is an unofficial, but commonly used, term that describes the creative media area to the north of Oxford Street between Tottenham Court Road and Great Titchfield Street.

Centred around the trendy bars and restaurants along Charlotte Street, the last two decades has seen the area firmly establish itself as the centre of the British television production industry and also attracts other creative, tech and design conscious occupiers, such as Facebook who have taken 216,000 sq ft at 1 Rathbone Square.
