Tottenham Court Road

Tottenham Court Road is undergoing an extensive regeneration programme to significantly improve the area. This is largely driven by Crossrail, with the Elizabeth Line fully operational by Autumn 2019. The main road will become two way to traffic, reducing congestion and air pollution and speeding up bus routes.

There will be new, safer provision for cyclists, as well as new and regenerated public green spaces. The project will provide safer, greener and more attractive streets for residents, visitors and local businesses.
